

SPECIAL EXHIBITION

THIS IS WATER, WASH & CLIMATE: STORIES FROM PRACTICE

STORY LIST

Water, WASH, and Climate Virtual
Symposium: June 20-23 2022

Story Title	Presenters	Organisation	Floor and Table
Surveyed from Afar: Household water security, emotional distress, and the reliability of water supply interventions in the Ethiopian lowlands	Anna Libey	Mortenson Center in Global Engineering, University of Colorado Boulder	Floor 1- table A
Stories from the Field: Practicing Socially-Inclusive WASH in Southeast Asia and the Pacific	Hamish Clark, Mitch Horrocks & Steve Tarimaemae	Engineers Without Borders Australia	Floor 1- table B
WASH issues and climate challenges in Labuan Bajo tourist destination, East Nusa Tenggara, Indonesia	Ni Made Utami Dwipayanti, Anindrya Nastiti & Bronwyn Powell	Udayana University, International WaterCentre (Griffith University)	Floor 1- table C
Veterans championing and leading the struggle to secure the right of the poor to safely-managed water and related services: Nayak Basti, Ward 19, Jaipur, India	Ravikiran Bokam & Ms. Juhi Jain	Centre for Advocacy and Research	Floor 1- table D

Opportunities and Challenges in Solarizing Nepalese Agriculture Sector	Shisher Shrestha & Labisha Uprety	International Water Management Institute	Floor 1- table E
Hanging Latrines: Far away from Functional Latrines in the very Heart of an Urban Centre.	Shyantani Saha	University College London	Floor 1- table F
Getting ready for the future – climate-proofing Max TapWater	Maartje Pronk	Max TapWater	Floor 1- table G
Supporting rural water committees through their urban families – a case study from Fiji	Roko Ratu	The University of the South Pacific	Floor 1- table H
Going beyond community-based WASH planning to catchment scale thinking of water management in rural Solomon Islands	Tema Wickham, Collin Benjamin & Brendon Teava	Plan International Solomon Islands, Solomon Islands National University	Floor 1- table J
Impacts of climate vulnerability on safely managed sanitation in rural Cambodia.	Rana Abdel-Sattar	iDE	Floor 1- table K
Shining the light on a hidden challenge of WASH.	Allison Coleman	World Vision Vanuatu	Floor 2- table A
Tahi mei he vai mei he (sea on one side and water on the other).	Ana Ake	SLAP Inc Tonga	Floor 2- table B
Global aspirations and local realities: Unpacking scalar politics of water management discourses in Dhulikhel Municipality, Nepal Himalaya.	Anushiya Shrestha, Dr. Dilli Poudel & Ms. Salu Basnet	Southasia Institute of Advanced Studies (SIAS)	Floor 2- table C
Addressing Menstrual Hygiene Management (MHM) challenges in a changing climate: experience from ethnic communities in the Chittagong Hill Tracts, Bangladesh	Safina Naznin	UNICEF Bangladesh	Floor 2- table D
In partnership with ADB, local officials installed twenty SOURCE Hydropanels at Petros Primary School on Tanna Island in Vanuatu	Stephane Bernard Leyo, Benjamin Lim & Peter Stevenson	SOURCE Global, PBC	Floor 2- table E
Incorporating climate change issues in the community triggering and monitoring for WASH program for people with disability	Stevie Ardianto Nappoe	Plan International Indonesia	Floor 2- table F
Engaging Communities on climate resilient water management and WASH in Autonomous Region of Bougainville, PNG.	Terence Kumis, Gail Pigolo & Tom Rankin	Plan International Papua New Guinea	Floor 2- table G

Understanding the (in)efficient water use behaviour (WUEB) in rural water supply systems (WSSs) based on socio and economic (SEC) and institutional factors	Diana Carolina Callejas Moncaleno	Delft University of Technology	Floor 2- table H
Period Poverty in Covid-19 pandemic and emergencies: Scaling up opportunities	Daniel Ifegwu Iroegbu & Ihudiebube-Splendor Chikaodili	Daniel Iroegbu Global Health Foundation	Floor 3- table A
Climate change projects in Pacific nations: What are the community's interests?	Rob Fowden & Mark Love	International WaterCentre / University of Queensland	Floor 3- table B
Evidence for the Need for Centralised Management of Small-Scale Decentralised Sanitation Services	Alexander Campbell & Nicholas Reynaud	Dalco Point	Floor 3- table C
Understanding the aspirations, priorities and capacity of Integrated Water Management Forum members to be more inclusive	Fahrnunisa (Univesitas Teknologi Sumbawa), Silvia Landa (Yayasan Plan International Indonesia) & Ludji Michael Riwu Kaho (Universitas Nusa Cendana)	Yayasan PLan Internasional Indonesia, Universitas Teknologi Sumbawa, Universitas Nusa Cendana, Monash University	Floor 3- table D
Advancing Inclusion and Women Leadership in Water Governance	Kaneka Keo	Mekong Water Governance Program, Oxfam	Floor 3- table E
Real-time Remote Monitoring to Improve Evidence-based Water Resources Planning: Stories from Somalia	Mulatu Kassa & Justine Lee	World Vision, Inc.	Floor 3- table F

Water-efficient toilet designed by people with disability organization and a women entrepreneur	Novika Noerdiyanti (Plan Indonesia), Ben V. Tarigan (Undana University) & Jeni Ngganggus (UKM Jensi-Women Enterpreneur)	Plan Indonesia, Undana University, UKM Jensi, Persani	Floor 3- table G
Inspiring and supporting local government heroes of climate action to deliver inclusive WASH	Ratan Budhathoki, Avni Kumar & Shova Chhetri	SNV and University of Technology Sydney-Institute for Sustainable Futures	Floor 3- table H
Solar Power Pumping Systems in Bekaa Valley, Lebanon: Opportunities and Limitations	Rebecca Bushby & Charbel Hanna	UNICEF	Floor 3- table J
Gender dynamics of water access in a climate crisis: Experiences from Nepal	Shreeya Lohani & Dr. Manohara Khadka	IWMI	Floor 3- table K
